## OEKO-TEX® RESPONSIBLE BUSINESS

Any company in the textile and leather industry that operates as a brand, brand group, retailer or distributor of finished textile and leather goods can apply for OEKO-TEX® RESPONSIBLE BUSINESS Certification.

OEKO-TEX® RESPONSIBLE BUSINESS applies to all business processes for products of brands, wholesalers and retailers operating in the textile and leather industry. If a brand, brand group, retailer or trader manufactures or distributes products from other business sectors, OEKO-TEX® RESPONSIBLE BUSINESS does not apply to these products. OEKO-TEX® RESPONSIBLE BUSINESS only applies to the due diligence measures that the company implements in its management processes and that apply to its textile and leather supply chains.
